SUMMARY OF RECOMMENDATION: Pending.

DESCRIPTION OF REQUEST

The applicant is requesting a special permit to allow for a halfway house as required by El Paso City Code Section 20.10.266 in the C-4 (Commercial) district. The current use of property is an existing 16,273 sq. ft. vacated structure that will be converted to a halfway house. The detailed site development plan shows the one-story halfway house, 91 beds, two accessory structures, and basketball court. The development provides twenty-three (23) parking spaces. The applicant provides two (2) accessible parking space and three (3) bicycle spaces. Access to the subject property is proposed from Mattox Street.

SPECIAL PERMIT REQUIREMENTS

To grant the special permit to allow for a relocated billboard, the applicant must comply with the following standards, per 20.10.266 Halfway house, 20.04.320, Special Permit, and 20.04.150, Detailed Site Development Plan.

RELATION OF PROPOSED CHANGE TO THE CITY'S COMP. PLAN

CONSISTENCY WITH PLAN EL PASO	DOES IT COMPLY?
<p><u>G-7 Industrial and/or Railyards</u></p> <p>This sector applies to industrial parks, large free-standing industrial uses, refineries, non-military airfields, trucking terminals, and mines, all on large tracts in areas dominated by vehicles. This sector is essential to El Paso's economy; however, when an industrial use becomes obsolete, there can be potential for mixed-use redevelopment of the site. This sector also includes the existing railyards which could be redeveloped as mixed-use communities if the rail yards were moved out of town.</p>	Yes, the lot is not vacant. The purpose of this project is adding a missing regional commercial/industrial use to established industrial parks.
<p><u>ZONING DISTRICT</u></p> <p><u>C-4 (Commercial)</u></p> <p>The purpose of these districts is to provide for locations for the most intensive commercial uses intended to serve the entire city. It is intended that the district regulations permit heavy commercial uses characterized by automotive and light warehousing. The regulations of the districts are intended to provide a transition from general business areas to industrial and manufacturing uses, and to accommodate major locations of commerce, service and employment activities. Within the central business district, more intensive commercial uses are allowed, the predominant of which are retail trade and service uses, providing less restrictive height and area regulations.</p>	<p><u>DOES IT COMPLY?</u></p> <p>Yes, a halfway house is permitted in the C-4 District with special permit approval.</p>

SUITABILITY OF SITE FOR USES UNDER CURRENT ZONING: The site meets the minimum dimensional requirements of the C-4 (Commercial) District, and the halfway house is permitted by special permit.

CONSISTENCY WITH INTENT AND PURPOSE OF THE ZONING ORDINANCE: The intent of the Zoning Ordinance is to protect the public health, safety, and general welfare; to regulate the use of land and buildings within zoning districts to ensure compatibility, and to protect property values. The intent of this district is to provide for locations for the most intensive commercial uses intended to serve the entire city. It is intended that the district regulations permit heavy commercial uses

characterized by automotive and light warehousing. The regulations of the districts are intended to provide a transition from general business areas to industrial and manufacturing uses, and to accommodate major locations of commerce, service and employment activities. Within the central business district, more intensive commercial uses are allowed, the predominant of which are retail trade and service uses, providing less restrictive height and area regulations. This development complies with the purpose of the Zoning Ordinance through compliance with all applicable code requirements.

ADEQUACY OF PUBLIC FACILITIES AND SERVICES: Per reviewing departments, the subject property is adequately served by the existing infrastructure to accommodate the proposed use. A new water service permit will be required, which will require coordination with the El Paso Water Utility.

EFFECT UPON THE NATURAL ENVIRONMENT: The subject property is not within any arroyos or identified environmentally sensitive areas.

COMMENT FROM THE PUBLIC: The subject property falls within the boundary of the El Paso Central Business Association. It was contacted as required by 20.04.520. Notice of a Public Hearing was mailed to all property owners within 300 feet of the subject property on August 10, 2018. The Planning Division didn't receive any phone calls or letters in support or opposition to the special permit request.

STAFF COMMENTS: No objections to proposed special permit and detailed site development plan approval. No reviewing departments had any comments. The applicant will need to coordinate with the El Paso Water Utility to establish service at the subject property. Applicant is responsible for obtaining all applicable permits and approvals prior to any construction or change in occupancy.

OTHER APPLICABLE FACTORS: Approval of the site plans by CPC constitutes a determination that the applicant is in compliance with the minimum provisions. Applicant is responsible for the adequacy of such plans, insuring that stormwater is in compliance with ordinances, codes, DSC, and DDM. Failure to comply may require the applicant to seek re-approval of the site plans from CPC.
